

Species Spotlight: Black Walnut

Walnut has been popular in the US for over 4 centuries. In fact, just 3 years after the 1607 founding of Jamestown, Virginia, people began exporting walnut to England.

And walnut remains one of our strongest offerings here at Stoltzfus. Whether you're looking for FAS, Rustic, or something in between, we can provide it.

Please give us a call for your next furniture, millwork, or cabinet project. We'll be glad to help.
